

Edge Debate 61 – 7th May 2014
Edge Commission of Inquiry on Future Professionalism – Session 3: Society

Twitter Stream #EdgeDebate

. **HL Sustainability** @HL_Sust 15h We are at the @EdgeDebate on future professionalism tonight: value to society. Follow us for a live update from our perspective #edgedebate

. **HL Sustainability** @HL_Sust 16h Only when we fail does the public realise how reliant they are on a well-functioning built environment #edgedebate

. **HL Sustainability** @HL_Sust 14h What do you do when your client asks you to do something that you know not to be on the best interest of society #edgedebate

. **Richard** @RichPalczynski May 7 At #edgedebate tonight discussing the role of institutions in society. @ICE_engineers represented by Barry Clarke.

. **The Edge** @EdgeDebate 14h Matthew Taylor @RSAMatthew injects "creative communities with a cause" (Charles Leadbetter) #edgedebate and - solidarity via shared values

. **Richard** @RichPalczynski 14h #edgedebate all four speakers done and I'm none the wiser as to what institutions are ACTUALLY doing to promote their role in society 😞

. **Robin Nicholson** @RobinNicholso14 14h #EdgeDebate session 3 of the Commission of Enquiry - can we manage the 'system reform' we need? pic.twitter.com/oa4MVZa3T4

. **Lee Franck** @lee_franck 14h At #edgedebate, Barry Clarke encouraging engineers to step into gap to transform society by tackling climate change

. **Closed Loop Projects** @ClosedLoopBPE 14h These are big questions, requiring a system overhaul rather than piecemeal changes. We need to think radically #edgedebate @theRSAorg @RIBA

. **Closed Loop Projects** @ClosedLoopBPE 14h Focus on the relationships between the professions and the public to improve public opinion #edgedebate @RIBA

Caroline Cole @ColanderUK 16h
#EdgeDebate in 19c built environment professionals changed society thru infrastructure- is climate change the next rallying topic?

. **Robin Nicholson** @RobinNicholso14 14h #EdgeDebate we have to collaborate. So many thanks to our keynote speakers from RSA, Work Fdn + Keith Clarke pic.twitter.com/Er9zFI04Av

Caroline Cole @ColanderUK 16h
#EdgeDebate Colin haylock says professionals need to draw the world in and find mature ways of working with one another

Caroline Cole @ColanderUK 39h
#EdgeDebate Institutes tend to fight their own corners rather than thinking about the requirements of society as a whole

. **HL Sustainability** @HL_Sust 38h In most situations there's value in staying calm, but when the heat is really on, you have to make a professional judgement call #edgedebate

. **HL Sustainability** @HL_Sust 39h ...or is the important thing really not pace, but rather alignment? Ensuring all messages you give are appropriate to context #edgedebate

. **HL Sustainability** @HL_Sust 39h How do we restructure ourselves to be able to respond to the public in the timeframe they expect in this day and age (~6h?) #edgedebate

. **Ruth Slavid** @archifreelance 14h #edgedebate Matthew Taylor says most of what professions push out is of no interest to anybody

. **Lee Franck** @lee_franck 14h #edgedebate - Matthew Taylor on importance of developing a story, a way of being and thinking as industry, instead of instant chatter

. **Richard** @RichPalczynski 13h #edgedebate institutions work in the background, supporting government and don't need to be heard by public... No wonder public don't care!

. **Closed Loop Projects** @ClosedLoopBPE 13h We should have the courage as institutions to hold politicians to account. It needs to have demonstrable public benefit. #EdgeDebate #manners

. **Caroline Cole** @ColanderUK 15h
#EdgeDebate Colin Haycock: without volunteers institutions can't function....

. **Richard** @RichPalczynski May 7
@ColanderUK #esgedebate exactly!!!!

#EdgeDebate Ziona Strelitz says professions expect public to defer to them. It is time to earn authority

Dave Hampton @carboncoach 13h Joanna Ely launches key question at **#edgedebate** what power/influence do Insts really have? And are we too cosy? pic.twitter.com/CFqkNJowxq

Caroline Cole @ColanderUK 13h **#EdgeDebate** Matthew Taylor: role of institutes is to balance public interest and professional interest- question is do they do this well?

Richard @RichPalczynski May 7 **#edgedebate** who has more appreciation in society? institutions or your average D-list celeb? Stop thinking small. Start selling ATTENTION

Caroline Cole @ColanderUK 12h **#EdgeDebate**: architects are the nurses of the construction industry- no matter how badly they're treated there will always be too many

Richard @RichPalczynski May 7 **#edgedebate** here's a thought... Nobody has mentioned the word LEADERSHIP tonight.

Richard @RichPalczynski May 7 **@kelfielddegsy** about the role of engineers and their respective institutions.

HL Sustainability @HL_Sust 12h Can't be bigger gaps than btw children utterly unimpressed w our industry, & professionals who wouldn't want to do anything else **#edgedebate**

Richard @RichPalczynski May 7 **#edgedebate** heard enough. The ICE relies on volunteers to get its message out??? That just about sums it up for me! Sorry. Not good enough

Dave Hampton @carboncoach 10h Very good to chat with Kate Fewson after **#edgedebate** - the force is strong with this one :-) **#follow @ClosedLoopBPE**

Ruth Slavid @archifreelance 16m Sue Illman pres LI **@talklandscape** said at **#edgedebate** could never expect a president to serve more than 2 years. So heartfelt
