Dear Mr. Foxell,

Thank you for your email of 27 January, addressed to the Secretary of State, about the future of BREEAM assessments in school building programmes. I am replying as the Minister responsible for this policy area.

The Department is considering the outstanding recommendations in the Sebastian James review of education capital, including the recommendation on BREEAM, and we hope to be able to respond very soon with next steps. The comments and concerns highlighted in your letter will be taken into account as we reach decisions.

Yours sincerely,

JONATHAN HILL
